

# St. David's Green Team

## St. David's Episcopal Church & School

*Transforming Lives Through Christ*

*Joyful Worship—Celebrating Community—Engaging Outreach—Lifelong Learning*

---

During Prayers of the People we pray “Give us all a reverence for the earth as your own creation, that we may use its resources rightly in the service of others and to your honor and glory.”

To live into this prayer, we have started an effort to be “All In to Green” at St. David’s. A survey of the existing recycle efforts has been done and much is already in place. Today we kick off a renewed commitment with the blessing and placement of new recycling bins throughout the campus. Thanks are extended to two gracious parishioners for their extra support of this effort. Today recycle brochures and refrigerator magnets are available to take home today as a reminder to recycle there also.

### Green Team Mission Statement:

*“We are a community of good and caring people, leaning into each other in community to change the world. We are committed to making a sustainable world for our children and grandchildren. Step by step, we will discern how this campus and "hallowed ground" can become as sustainable as our present St. David's inner life that is being achieved through Joyful Worship, Celebration of Community, Lifelong Learning and Engaging Outreach.”*

Join the Green Team in focusing on and accomplishing more sustainability using this Recycling Mission Statement as a guide. Today we are 7 strong, with full support of the Vestry, Trustees, and spiritually guided and supported by Reverend Mary Kay.

All are welcome to sign up on Sunday, April 23rd to join this activity based Green Team. Through planned activities we will learn how we can make a mindful shift of consciousness and respect for Mother Earth.

To sign up for Green Team information, please sign using SignUpGenius ([greenteam@sdlife.org](mailto:greenteam@sdlife.org)) or email: [greenteam@sdlife.org](mailto:greenteam@sdlife.org)
