

I began professional life as a symphony musician and transitioned into a career as a financial planner several years ago. In both careers, I have had the opportunity to serve on nonprofit boards and was employed by a music ministry for several years. I believe these past experiences will support a quick adaption to the role of a vestry member. At St. David's, I have volunteered to provide music during St. David's regular worship services as a musician and currently serve on the Marketing Committee, volunteer to support the Belmont Concert Series and act as Fellowship Director for the Brotherhood of St. Andrew. I am running for vestry because God has called me by name. I have attended church my entire life, but have never felt as close to God or my fellow congregants as I do at St. David's. If elected, my priority is to grow the congregation, increase the percentage of families who pledge and expand the number of pledging families who joyfully tithe.
