

Alleluia Ministry

Guided by the wisdom and foresight of Archdeacon Holly Hanback, the Alleluia Ministry represents a special collaboration between St Gabriel's in Leesburg and St David's in Ashburn. It is a work of charity, mercy and justice for the families who participate in and depend on the program, as well as for the volunteers who provide, prepare and deliver the food and household items for each of these families.

As we've seen throughout this pandemic, too often the people most in need, who are impacted the most, work in service industries and cannot work from home, cannot find affordable child care while schools are closed, have few resources to carry them through the financial impact of the pandemic and who may be more likely to suffer from covid 19.

The Alleluia Ministry is a life line for our brothers and sisters at St Gabriel's and provides a concrete and vital opportunity for both congregations, together, to carry out the mission of the Christ who sends us forth as his hands and heart to offer care and comfort to his people. We all share this ministry, both volunteers and participants.
