

Daughters of the King “Dish”

Thanks to the parishioners and DOK Sisters who volunteered to help out with our Sip and Sort at the Women Giving Back (WGB) nonprofit facility in Sterling, VA on October 15, 2019. We made a sizeable dent in WGBs very monumental donations pile. The night flew by, sipping, sorting and enjoying each other’s company.

We would also like to express our thanks and gratitude to the parishioners and DOK Sisters who volunteered on Saturday, November 30, 2019 to prepare lunch and fellowship with the residents at the Loudoun County Homeless Shelter in Leesburg. A wonderful time was had by both volunteers and residents.

The Daughters of the King plans to have future visits to both groups and welcome all the ladies of St. David's to join us.

Please join us for one of our upcoming meetings to learn what Daughters of the King is all about. E-mail President Francine Harmon at fcharmon@msn.com
