Stewardship of the Earth

1. Bibles Verses

Look up these verses and read them together. Have the children draw pictures about each one and explain it to you

- “The Lord God took the man and put him in the Garden of Eden to work it and keep it.”
Genesis 2:15
- “You shall not pollute the land in which you live, for blood pollutes the land, and no atonement can be made for the land for the blood that is shed in it, except by the blood of the one who shed it.” Numbers 35:33
- “The righteous care for the needs of their animals” Proverbs 12:10

2. Video

Have you child/children or family make a video about the 50th Anniversary of Earth Day and taking care of the earth. Ask the following questions:

- Share what the earth looks like today and what your hope is for the future.
- What are you doing to make a difference?
- What is your prayer for the earth?

3. Turtles

Did you know that since the beaches have been closed hundreds of turtles have made nests on empty beaches? Here is a link to children’s books about turtles and tortoises:
