

## Seeing God

This past Sunday we were asked by Rev. Mary Kay to send in photos of instances where we "see God" during this time of pandemic. God is everywhere and in all things. Just like the blind man who could see, his eyes were made well and able to see the world in a new way. How are you seeing God show up in new ways as so much is changing in our lives.

*But God has revealed them to us through His Spirit.*

*For the Spirit searches all things, yes, the deep things of God. 1 Corinthians 2:1*

Please send your photos to [communications@sdlife.org](mailto:communications@sdlife.org) or tag us on Facebook. We will be posting these photos to our website and social media sites. Thank you! This project is for EVERYONE, not just families with children!

### How to create your own Flat Jesus

- Color the picture here or copy onto heavy cardstock paper
- Get creative! Decorate Flat Jesus - what color hair does he have? What color skin tone? How should his robes be decorated? How do you see Jesus?
- Make one for yourself
- Place a reminder on the back on how and where to upload pictures.
- If you have access to a laminating machine, cut out and laminate your Flat Jesus. This way if he attempts to walk on water or spills a lot of wine, he'll be protected!

Talk with family and friends about what you and Flat Jesus experienced.

Have Fun!
