

We have been blessed with supply clergy who have brought a wide variety of styles and perspectives to St. David's. Below are brief profiles of two clergy whose faces and wisdom have been a consistent blessing at St. David's this year.

Pastor Tiffany Towberman

Pastor Tiffany Towberman is ordained in the Evangelical Lutheran Church in America (ELCA), which shares ministries and a full communion relationship with the Episcopal Church. She is currently in the licensing process of the Episcopal Church. Pastor Tiffany has been serving congregations in the metropolitan DC synod in various capacities for over 20 years. Ordained ministry runs in the family. She grew up in Ohio with parents who are also ordained Lutheran ministers. Her Sunday commute to St. David's is easy. Pastor Tiffany lives in Lansdowne, with her family, and a menagerie consisting of 1 husky, 3 cats, and 2 hermit crabs. She enjoys motorcycle riding, skiing, running, hiking, entertaining and homeschooling. Her ability to connect with us all, especially children, is a blessing to have as part of St. David's extended family.

Reverend Winston Welty

Reverend Winston Welty ("Winston") is in his 56th year of service to the Episcopal Church, having been ordained in 1966 in the Cathedral of St. John the Divine in New York City. He has served as a Curate, Rector, Senior Associate and, most recently as Assisting Priest at St. Anne's Church in Reston. In 1980, Winston accepted a call to become Rector of St. Alban's Church, Newtown Square, PA, where he served for 20 years, until his *first* retirement in 2000. Following retirement, Winston began his Interim Rector ministry, serving for seven years. "Retiring" a second time in 2007, he and his wife, Mary, moved to central Mexico where, of course, Winston accepted the call as Rector of St. Andrew's Church, located near their home in Guadalajara. His third and "final" retirement came in 2016, when he and his wife moved to Reston. Together, they have four grown children, 10 grandchildren, and 4 great-grandchildren and he enjoys tech stuff and reading, with occasional walks in the neighborhood, or on the treadmill his wife insisted on buying. His ministry has been almost entirely parish-based, and the highlight of a week comes when he has the privilege of celebrating the Eucharist and preaching. We appreciate Rev. Winston's calming, wise and traditional presence at St. David's.
